

**iDefend**® It's Your Identity– Defend it.

## Protect Yourself. Protect Your Family.

With identity theft now the fastest growing crime in America, having “whole” identity protection is a vital part of safeguarding your money and your privacy – for you and your family.

iDefend® includes the  
**7 Essentials** of  
WHOLE identity  
protection:

The most complete  
protection  
available, *period*.

Choose the  
protection that's right  
for you. *(see reverse)*

### Whole Identity Monitoring

Proactive monitoring for virtually ALL forms of identity theft, not just credit fraud.

### Cyber-Crime Protection

Expert computer security services from the INVISUS team of certified security technicians – protecting you against hackers, viruses, spyware and more.

### Credit Protection

Expert guidance, tools and resources to help you understand, manage and protect your credit.

### Privacy Protection

Tools and resources to safeguard your family's privacy, minimize junk mail, telemarketing calls, and spam email.

### Lost Wallet Protection

Worry-free help tracking and replacing the contents of a lost or stolen wallet.

### Whole Identity Recovery

Complete identity restoration to pre-theft status for ALL forms of ID theft. Done for you as fast and painless as possible.

### Cyberhood Watch Membership

Real-time alerts, tips and 24/7 resources to help you stay safe, protect your privacy and your money in the digital age.

#### iDefend® Personal Plan

Complete coverage for you individually.

#### iDefend® Family Plan

Coverage for your entire family including your spouse and children.

# iDefend® is WHOLE identity theft protection. It's the most complete protection you can get today, *period.*

Identity thieves and cyber-criminals are continually finding new ways to take advantage of those who are unprepared and unprotected—including online and through your home computer. It's never been more important to protect your privacy, your credit, your money, and those you care about most.

Choose the level of protection that's right for you:
